[Types of Hydraulic Fluid Used for Wood Splitters | Garden ...](#)

Types of Hydraulic Fluid Used for Wood Splitters By Horacio Garcia Maintaining the warranty that comes with a wood splitter does require the owner to use the recommended hydraulic fluid, however, so it is a good ideal to follow the manufacturer's recommendation until the warranty expires.

[Hydraulic fluid use in log splitter | Hearth.com Forums Home](#)

Just picked up a speeco 25 ton splitter & the manual says to use SAE 20 hydraulic oil above 32 degrees & to use auto-transmission fluid below 32F. The splitter uses almost 8 gallon of hydraulic oil so I don't want to be changing it more than regular maintenance requires, but I'll probably be splitting wood both above & below 32F.
