[Working Class Credit and Community since 1918 | A. Taylor ...](#)

This book explores the forms of credit which have historically been associated with the British working class. Taylor seeks to assess the effect of credit on working class communities, and relates this to the debate about community. This work is the first comprehensive examination of the history of

[Working Class Credit and Community since 1918 - EH.net](#)

While the omission of the first two is understandable, given that they only became significant for the working-class in the latter part of the period, the neglect of the hire purchase is a more serious omission, as it played an important and distinctive role in working-class credit throughout the period under examination.
