Authors use mythology as a basis for their books, such as Rick Riordan, whose Percy Jackson and the Olympians series is situated in a modern-day world where the Greek deities are manifest. [110] See also [edit]

[World Mythology by Roy Willis - Goodreads](#)

A great introduction to world mythology. I particularly enjoyed the section discussing themes that appear in multiple culture's myths, pronunciation guides (especially for Chinese and Celtic words), and the geographic coverage (everything from Egypt, to Tibet and Mongolia).
