World Religions Today - John L. Esposito; Darrell J. ...  
Reviews: "World Religions Today is lively, clear, and very insightful; students will learn so much from every single page. One marvelous feat of this book is the way in which it relates contemporary developments to the history of a particular tradition without overlooking important new developments or innovations.

What are the major world religions in existence today?  
What are the major world religions in existence today?

Many religions exist in today's world, including those who hold to no faith at all. However, approximately 95% of the world's population is categorized under seven world religious traditions.
