Zapp! The Lightning of Empowerment - amazon.com
Zapp! is a book that my company uses in the management training seminars we give to employees who are taking on management responsibilities for the first time. Lessons on empowerment are told through a fictional (even science-fictional) story of managers at a large company coming to understand why their organization is so dysfunctional. The story, although initially pretty hokey, serves nicely.
Zapp! The Lightning of Empowerment: How to Improve Quality ...

Zapp! is fun and easy to read. It is a good basic reminder of the things that good managers and leaders should know but do not always practice.

Zapp! The Lightening of Empowerment
The way it had always been: Managers did the thinking, Supervisors did the talking, and employees did the doing.

Byham Zapp Empowerment | The Home Network Center

That is what Zapp! is about. It deals with the basic principles of empowering people, about helping employees take ownership of their jobs so they take personal interest in improving the performance of the organization. Throughout the book, the summarized essence of the book appears on illustrations called Joe Mode's Notebook . These form an outline of the basic principles of empowerment.
